BRIEF ABSTRACT OF LETTER.

Forwards a draft of a document to be executed
 for the hypothecation of the Drain village in the

NOTES AND ORDERS.

The proviso ~~which the~~ that the Inamdar would bind himself to pay in Rs 3000/- annual in default of making over the village to Govt, as also a penal ~~rate~~ interest thereon at 12 1/2% per annum for any unpunctual payment, seems to indicate that there may ^{not} be a probability of the Inam village being immediately made over to Govt ~~for management~~.

3 The clauses which the Inamdar proposes for insertion in the Bond are in the ~~language~~ ^{words} of the Deputy Commissioner ~~are~~ "inserted" with a view "to prevent creation of precedents against mamool or local usage."

The Inamdar desires that the payments of Rs 276-14-0 annually as Local Fund cess due to Govt of Rs 27-8-0 in the aggregate as ~~some~~ salary to the village servants and of Rs 300/- towards the cost of repairs to the channels etc should form first charge on the revenues of the Inam village.

4 The Inamdar wishes it to be stipulated that a statement of the village accounts should be furnished to him annually.

5 The bond, as suggested by the Dy Commr Mysore Dt, may be forwarded to the Govt Advocate for opinion & modification if

6 As regards the taking over of the village under govt management: Our experience regarding the Mandar themselves retaining the management of the lands and paying us the instalments of the loan and interest regular has been most satisfactory. The village must therefore be taken over by govt at once.

7 The ~~the~~ p Mandar now states that the customary perquisites payable to the village servants and Poojaries amounting to Rs 227 as well as the cost of repairing the Dudda and Chinallas approximating Rs 300 must be paid from the revenue of the village. The Deputy further states that the cost of water to be supplied to the wet and garden lands has also to be borne by the govt. The Deputy commends beyond forwarding the Mandar's memo containing the above does not say which the above are legitimate charges on the village revenue and to what extent. Of course we should like them to be reduced as much as possible in the absence of the Mandar's liability.

on these accounts, it is not possible
to say how far the ^{net income} estimates, ^{realized}
of Rs 2600 towards the payment of
loan will be affected.

8 The money seems to have been
~~already allowed~~ ^{permitted} to be drawn by Devraj &

A more prudent course would seem
to be to have paid the money due
to the existing encumbrances Sir P.
K. Ramamurti.

9 The amount of today's revenue, &
the claim be conceded, should also go
towards the govt. loan.

10 The items of expenditure referred
to by the Mamdar are all apparent
included in the sum of Rs 900 which
was estimated by the
Committee as the total of annual
charges to be met from the
Govt. revenue. In such cases
they have to be paid as decided
by the Mamdar.

It is necessary to ascertain whether Mr. A.C. Devaraj Urs has any sons and whether any of them are majors. The sons who have attained their --- majority must join their father in executing this document. The father must be described as the --- manager of his family and guardian of his minor -- sons, if any.

13 The draft canarese deed sent on by the Deputy Commissioner may be adopted with the alterations and omissions therein indicated. The lines enclosed in blue pencil, if retained, will render the -- previous clauses about the delivery of possession of the village ~~mit~~gatory at the option of Mr. A.C. Devaraj Urs. He may, if he likes, not pay the -- amount advanced by Government to Sir P.N. Krishna-Moorthy to discharge his mortgage but use it for himself and elect to discharge this debt by annual instalments of Rs.3000/-. This is entirely oppose to the terms on which the loan was sanctioned.

14 It is very essential that the amount due to Sir P. N. Krishna Moorthy must be paid to him ---- direct by Government.

A fair draft of the deed embodying these alterations is put up.

Submitted - The draft-deed as prepared by the Govt Advocate, may it seems be a deed to be forwarded to the Deputy Commissioner Mysore & he be requested ^{to see} to its being duly executed by the Inamdar Mr. Devanji &c.

22/4/09 With due reference to the opinion of the Govt Advocate, it respectfully submitted that a clause embodying ^{either} a covenant to repay the loan, or should the mortgaged property deteriorate in value on any account ~~in excess~~ or to offer additional security seems to be necessary. The absence of such a condition in the recent case of Tamburle's has placed Govt in a fix.

It would be desirable to have the condition mentioned by the Supt in his note of 15-4-09 inserted in the bond to provide against the contingency of the net-proceeds from the Kempnapura falling below the estimated amount. The necessity for a condition of this kind was felt in the case of the Tumburle Village

- (1) The important points referred to by the Govt Advocate are (i) omission of the clause relating to the retention of the mortgage village in the possession of the debtor and (ii) payment by Sir Krishna murthi direct of the amount of his debt. As regards no (i), the clause is omitted in the draft set out by the Govt Advocate. The village therefore cannot remain in the possession of the debtor. As regards no (ii). Attention is invited to ^{the terms of} page 2 of the same bond according to which the debtor has to be paid only the balance that may remain due out of Rs 20 after the payment of Sir Krishna murthi debt.

referred to by the Govt advocate
have been embodied by him, as
in the draft sent by him, separate

the taking of additional security
is thus the only one, remaining on
which the ^{opinion of the} Govt advocate is yet to be

Sir,

The petitioner begs to state that
his prayer to Govt to grant him
a loan of Rs 20,000 on the security of

In February last the petitioner
submitted the draft report as

to him as yet. He is hard pressed
by creditors and greatly in urgent
need of the loan. By delay he will
be subjected to loss. This is the
fit time for Govt to take

at an early date after taking
from him the security bond
without loss of time and to
